

Save money on NHS prescription charges

If you need more than 12 prescribed medicines a year you could save money with a prescription prepayment certificate.

You can buy a 3 or a 12 month prescription prepayment certificate (PPC) - which works like a season ticket.

You could be losing as much as £205 by not buying a PPC.
(Example based on three prescribed medicines each month with a 12 month PPC.)

You can buy a 12 month PPC by Direct Debit instalments.

For more information or to buy a certificate online visit:
www.nhsbsa.nhs.uk/ppc or call 0300 330 1341
