

Beacon Medical Practice

Skegness Ingoldmells Chapel St Leonards

Healthcare Assistant (Level 1) - Excellent learning environment

Come and work as a Healthcare Assistant at the largest GP surgery on the Lincolnshire Coast. We offer exceptional benefits with opportunities to advance and learn alongside a highly trained and dedicated team of colleagues.

The Practice:

Beacon Medical Practice has been established for almost 20 years in the local area and is a household name within the local community. We employ a diverse and friendly cohort of staff, each one, whatever their role, being committed to providing the local community with the highest levels of customer service and care possible

We offer detailed training and mentoring for all our employees.

The Position:

We're looking for a full-time (30H) Healthcare Assistant (Level1). Experience is not necessary as full training will be given, but some knowledge of Word, Excel. Email etc. and an interest in Health care would be advantageous.

The Benefits:

- Competitive salary.
- NHS Pension Scheme.
- Generous Annual Leave entitlement.

The Location

This post is based between our Skegness, Ingoldmells and Chapel St Leonards surgeries. Areas best known as some of the UKs most popular holiday resorts, it's got an excellent reputation for entertainment, great weather, and beautiful natural surroundings. The three thriving local communities we have our surgeries in, also make our surgeries and backroom functions very busy but enjoyable places to work.
